ABOUT US

BECKYDARLZ INDIA

PREMIER GARMENT MANUFACTURING SINCE 2008

Based in the heart of the textile hub, Tirupur, we specialize in high-grade apparel manufacturing driven by over 17 years of industry excellence. Supported by a robust infrastructure and state-of-the-art machinery, we achieve precision and perfection in every stitch.

Our diverse product line features a unique range of apparel for all genders, ages, and sizes. As a Government of India authorized exporter, we maintain world-class standards that serve as a testament to our quality. We are committed to on-time consignment delivery at competitive rates, ensuring that "compromise" is never part of our vocabulary. When you seek the best T-shirt manufacturer in Tiruppur, we deliver nothing but the finest.

PREMIUM APPAREL MANUFACTURING & CUSTOMIZATION SOLUTIONS

We specialize in the production of high-quality garments, utilizing a wide range of premium materials from 100% Cotton to various Poly-Cotton blends. Our facility offers complete customization, including bespoke fabric dyeing, specialized printing techniques, tailored garment finishes, and specific GSM requirements.

To ensure durability, our fabrics undergo advanced chemical processing, guaranteeing color fastness and structural integrity even after repeated washes. With a monthly production capacity of 30,000 to 40,000 units, our versatile product range includes:

- T-Shirts: Round Neck, V-Neck, Printed, and Cut-and-Sew designs.
- Polos & Formals: Classic Polo T-Shirts and formal Collar Shirts.

Driven by a robust manufacturing setup, we are equipped to deliver high-volume, premium-quality apparel on demand.
